# BYTES AND BEATS

Activity: Circuit Board

What are the highest and lowest voltages you see?	Split the voltages into ranges	Pick a sound for each range	What do we do in each range?	MATLAB Code

	V max _____
	
	 V _____
	
	 V _____
	
	 V min _____
		_____
		
		 _____
		
		 _____
			If the voltage is between ___ & ____ play _____
			
			 If the voltage is between ___ & ____ play _____
			
			 If the voltage is between ___ & ____ play _____
				`If (v> ___ && v< ____)`
				 _____
				 _____
				 `end`
